

Best Oral and Poster Presentation Contest

This year, there will also be two awards, one for the Best Oral Presentation (open to all CF-UM-UP researchers, including students), and another for the Best Poster Presentation (only for students). The awards for best presentation include a monetary prize in the form of a “voucher”, that can be used for Research Activities (e.g. participation in a conference, acquisition of equipment, publication in open access journal, etc.). Awards will be chosen by a Scientific Committee composed by CF-UM-UP members, and by the audience attending the event (previously registered).

The winners were:

Best Oral Presentation:

Gonçalo Catarina

Best Poster presentation:

Hugo Salazar
